

Light My Fire

Written by: Andrew McLeod

In the Amazon, you find yourself in a moist dungeon, dimly lit by oil light, noises in the distance. You try to avoid the darkness, but you can't see much at most points, since the light from each torch's flame only reaches one space in each direction. Can you make the right choices and rejoin the light?

Across

- 1 Simpsons character
- 5 Like someone born in the last month of Summer
- 12 Like most GNR concerts
