

# Look Both Ways

*Written by: Andrew McLeod and Sabine Weber*

Finger aluminum like an old music recording. (6)

The opposite is a sung immoral act on the first half of a Village People hit. (7)

Receive as a prize most of hair coloring for what comes before a storm. (4)

Got more battery and put fun German domain into red. (7)

When the sun is out, knight is missing its king. (3)

Unused instrument covering, maybe, drums it oddly. (4)

Glue RAR into pieces to be unsteady. (7)

Neglect a vice she neglects. (5)

That Porsche avenue has a place of endless suffering. (4)

Scalding temperature holds no bounds. (3)

Beginning of tramline construction. (7)

Lets out and gets thin adjustment. (7)

That Gemini mummy encases the largest one. (7)

Small-scale carom shot. (5)

University shape shuffled. (5)

Positive person unusually misses tip. (8)

Inert lye exploded a bit. (6)

Children toys hold monthly payment. (4)

Quiet headless laser has most of urchin for marketeer. (6)

Back half of half backed horse feed into washing basins. (5)

Cloudless is outspoken king's ruling period, yeah? (5)

Put in an order about top hat like Shaq. (4)

Feeble holy person precedes weightless mistake. (4)

Brew ought to be lacking power. (4)

A cold, cold irradiator judges endless mistake. (5)

"Olsen, I ordered a holding of juvenility." (5)
